

## COMMUNITY POT LOTS OF SEEDLINGS OUT OF FLASKS

Do you know what I've been hearing from customers everywhere? "When are you going to have another list of "Bare Root" seedlings?"

"I'd like to plant some more Community Pots, but I don't want to buy a whole flask of the same cross!"

All right, here it is. You can buy a Community-pot-lot (20 or more seedlings) of any cross listed below. The seedlings, well bedded in cotton and tissue, FLY to you, AIR MAIL PREPAID. Potting mixture included with each lot. (See Page D-1.)

Single Community-Pot-Lot.....\$6.00. Any three lots.....\$17.00.

NOTE: No mixed lots sold. Minimum order per cross.....20 seedlings.

#751 C. AMETHYSTOGLOSSA X C. HARRISONIANA X C. ENID - Clusters 3 to 4-inch, round, heavy blooms; bright pink with yellow in lip and throat. Vigorous. Spring.

#753 C. UNDINE X C. HENRIETTA JAPHET - Clusters of small, heavy textured White blooms. Some yellow in throat. Winter; Spring.

#754 C. LEDA X BLC MARION RYERSON - An exceedingly dark, plum-colored Leda was pollinated by a dark, heavy-textured Marion Ryerson with brilliant cerise lip; gold veined maroon zone in throat. Winter or twice yearly.

#759 C. Mlle. LOUISE PAUWELS (Intertexta, Juliette X Edithae #1) - Grand production of large, heavy White flowers; probably twice yearly, June and November.

#760 LC CYNTHIA X LC NEW YORK, JEWELL'S A.M. X C. GRANULOSA, SCHOFIELDIANA - Peach-flushed Yellow to chartreuse should result; fuchsia lip; orange throat. Five to six-inch very heavy textured blooms. Spring.

#762 C. BICOLOR X C. LEDA - A speculative cross of dark, red-lavender Leda on rose-flushed green Bicolor should produce some very dark reddish clusters; a few Yellows, for even Leda has one Yellow parent. Fall season.

#85-R BC GRANDE MONARCH X BLC MALVERN - Good percentage should be YELLOW; large, showy, ruffled lips. Some red tones. Winter--Spring.

#103-G BLC XANTHEA X LC MOLOCH X BLC PEACE - Strong growing clear Yellows with deep maroon lips. Late Summer; Fall.

#146-S ONCODIUM SARCODES X SELF - Produces long, branching sprays of small, round, yellow and brown blooms. Spring.

#153-B DENDROBIUM HAWAII NUI X D. PHALAENOPSIS ALBA - Long lasting sprays of varied colors from "Delicata" type to near white with pink-splashed petals; to dark, vivid red-lavenders. Autumn.

#159-B C. GUTTATA, LEOPOLDII X C. SCHROEDERAE - Clusters of four to six-inch heavy-textured apple blossom pink blooms; purple lips; gold throats. Spring.

SPECIAL INDUCEMENT TO ORDER WITHIN FIVE DAYS OF RECEIVING LIST:

Five or more Community-Pot-Lots (YOUR choice).....\$5.00 per lot.

OR, ONE community-pot-Lot of each cross, ALL ELEVEN LOTS.....\$50.00.

DANIEL RYERSON, BOX 805, HOMESTEAD, FLA.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for the proper management of the organization's finances and for ensuring transparency in all dealings.

2. The second part of the document outlines the various methods used to collect and analyze data. It describes how this information is used to identify trends, assess performance, and make informed decisions about future operations.

3. The third part of the document focuses on the role of technology in modern business operations. It highlights how digital tools and platforms have revolutionized the way companies communicate, collaborate, and manage their resources.

4. The fourth part of the document addresses the challenges faced by organizations in the current market environment. It discusses the impact of economic fluctuations, technological advancements, and changing consumer preferences on business strategies.

5. The fifth part of the document provides a detailed overview of the organization's financial performance over the past year. It includes a breakdown of revenue, expenses, and profit, along with a comparison to the previous year's figures.

6. The sixth part of the document outlines the organization's strategic goals for the upcoming year. It details the key areas of focus, such as market expansion, product development, and operational efficiency, and describes the specific actions that will be taken to achieve these goals.

7. The seventh part of the document discusses the organization's commitment to social responsibility and sustainability. It describes the various initiatives and programs in place to support these efforts, such as environmental conservation, community development, and ethical sourcing.

8. The eighth part of the document provides a summary of the key findings and recommendations from the various sections. It emphasizes the importance of continued monitoring and evaluation of the organization's performance and the need for ongoing communication and collaboration among all stakeholders.

9. The ninth part of the document includes a list of references and sources used in the preparation of the report. It also provides contact information for the authors and a list of acknowledgments.

10. The final part of the document is a concluding statement that reiterates the organization's commitment to excellence and its dedication to the success of its stakeholders.
